REFUGEE FIXTURE

Foundation 92 & Preston North End Community and Education Trust celebrate Refugee support with fixture.

Prior to Salford City FC taking on Preston North End on the 30th of July, Foundation 92's Refugee team took on Preston North End's Refugee team in two thrilling 5v5 fixtures.

Both teams then travelled to the Peninsula Stadium to watch Salford City vs Preston North End in the pre-season friendly before taking to the pitch at half time for a group photo with Salford City's mascot, Billy the Lion.

The event was organised as a celebration of both organisations work for Refugees in the community with support from the Premier League Fans Fund and EFL in the Community.

Foundation 92 currently support refugees in hotels across Greater Manchester through weekly sports sessions and holiday camp provision, whilst also providing support to adult refugees through weekly sport and employability programmes.

Foundation 92 has also recently partnered with Cif UK to redistribute old football boots to refugees.

Preston North End Community and Education Trust meanwhile support refugees through hosting a weekly football session for all across the city of Preston. The session takes place to offer the young people an opportunity to meet like-minded people and access to unique experiences. The group take part in regular football fixtures, monthly socials and access to wellbeing support.

Both projects are supported by the Premier League Fans Fund, which provides grants to support football clubs at all levels of the game, across England and Wales, to strengthen connections between them, their fans, and local communities.

The Fund supports a range of fan-focused and fan-led projects, helping to foster a sense of belonging through meaningful engagement. This includes schemes for under-represented groups, to further develop an inclusive and welcoming matchday experience for everyone.
